Baby Trees at Bargain Prices

Flowering Trees -:- Nut Trees -:- Shade Trees

This is a real bargain. This makes the twelfth year we have offered these fine little trees and our sales and testimonials prove the popularity and value of them. At this low price you can purchase a number of trees and grow them into fine specimen plants or mass them in your woodland, make a windbreak or plant them for timber. The little trees we offer are three-year-old seedlings and are two to three feet tall. They are large enough to transplant easily and will adapt themselves quickly to their new places.

WE HAVE SOME FINE TREES TO SHIP THIS SEASON AND PLANTING INSTRUCTIONS WILL BE SENT WITH EACH ORDER.

COMPLETE LIST OF BABY TREES

Offered by THE HARMON NURSERY, PROSPECT, OHIO

Your choice of the following in nice, well rooted, 2 to 3 feet high and any number of each that you want.

2 Trees 50c, 6 for \$1.00, 15 for \$2.00, 45 trees \$5.00, postpaid

By Express or freight not prepaid, 100 trees \$8.00

Ash, Green. Fine tree for dry locations. Excellent street tree with beautiful clean foliage. Very hardy, makes a beautiful specimen and valuable for timber.

Dogwood, White. Small tree. Covered with large, white flowers in May. Pretty foliage through summer and beautiful autumn colors. Very desirable either singly or in groups for lawn, border and woodland planting.

Redbud. Large shrub or small tree. Pretty foliage and a mass of rich pink flowers in May when Dogwoods are in bloom. Beautiful and effective either alone or in groups.

Birch, European White. Very hardy variety with pretty foliage and picturesque white bark. A beautiful specimen tree for lawn and woodland planting.

Caragana (Siberian Pea Tree) Very hardy large shrub or small tree. Light green foliage and yellow flowers in May. Thrives in very difficult locations and fine for bank sides and windbreaks.

Catalpa. Rapid growing with large leaves. Large clusters of white flowers in July followed by long Indian cigars in autumn. Grows in very poor soil and makes a fine interesting tree. Stands heat and drought.

Chinese Elm. New introduction from North China. Grows in all locations, good soil or poor. The best rapid growing shade tree known today. Fine street tree and withstands heat and drought. Perfectly hardy and easy to transplant.

These young trees can be planted into a hedge as they grow very bushy and with a little shearing will make a very fine hardy compact hedge. As a windbreak for stock lot or bee lot they are unexcelled. Plant a double row about six feet apart and let them grow bushy they will soon develop into a fine windbreak which will be perfectly hardy even in the cold northwest.

Eu. Mountain Ash. Makes a beautiful small specimen tree. The fern-like foliage is dark green and very pretty. The clusters of orange berries in the late summer and fall make is very showy and outstanding. You will find this tree well worth having.

Linden, American. Tall stately tree with fine shining foliage. Fragrant, small flowers in July. A fine street tree and valuable timber tree.

Lombardy Poplar. Tall, spirelike trees. Rapid growing and fine for background and screen effects. No other tree grows tall and slender like this variety.

Maple, Silver. Rapid growing fine shade tree. Thrives in all locations. Good street tree and very popular.

Maple, Sugar. One of the finest shade trees. Compact, round top, with beautiful foliage. Tall and stately. These trees produce the sweet sap from which is made maple syrup and sugar.

Mulberry, Russian. Thrives in any location. One of the best trees for wild birds. Its thick top furnishes ideal nesting places and the fruit, which ripens all thru the summer, is loved by all song birds. Very hardy and makes a fine windbreak. Easy to transplant.

Russian Olive. Small tree with very attractive grey foliage. Twigs also are grey. Handsome and fine for color effect. Golden, fragrant flowers in June. Hardy and easy to make live.

Sweet Gum. Handsome slow growing tree. The leaves are star shaped and very unusual. The autumn color is a brilliant fiery red. The tree grows with a round compact top and makes a beautiful lawn specimen.

Sycamore. Large trees with light grey or creamy white bark. Rapid growing, hardy and very rugged. Large leaves. A valuable timber tree and fine for color effect in winter.

Tamarix, Africana. A large shrub or small tree. Feathery foliage giving evergreen effect. Pink flowers in May. Deep rooted and thrives in difficult locations. Fine for foliage effect in borders and background. Stands heat and drought well.

Weeping Willow. Graceful weeping tree. Vigorous and thrives on damp and dry soils alike. Makes a beautiful lawn specimen. Ideal near pools and watersides.

Dwarf Maple—Ginnali—This beautiful little tree is very hardy and easy to grow. Attains about 12 feet in height. The new leaves in spring are very showy with pink tips. They are finely serrated so it makes a pretty tree through the summer and the autumn colors are gorgeous. Comes from Siberia and is perfectly hardy.

NUT TREES

Walnut, Black. Fine for timber and large edible nuts. Large meats of fine quality. Bears quite young and almost every year. Transplants easily in small sizes and grows rapidly. Thrives in any soil; one of the most valuable timber trees in America.

Butternut. Small tree with round, spreading top. Interesting foliage and bears large, long nuts of very rich quality. Thrives in any soil and bears young and every year. Very hardy.

Hickory. Shell bark variety. Grows into fine timber and the rich nuts are thin shelled and fine quality.

Hazelnut. Tall bush. Thrives in dry locations. The fine nuts are born in clusters and are ripe in late September. Makes a fine shrub also.

Pecan, Hardy Northern Strain. These trees are grown from seed produced on a hardy tree in the north and are well worth trying. Nice size nut of good quality and a fast growing variety.

PLANTING SUGGESTIONS

Outstanding Hardy Flowering Plants That Will Bloom Profusely This Summer Be Sure to Include Some of These in Your Planting

BEAUTIFUL DWARF CUSHION-TYPE

CHRYSANTHAMUM

Beautiful dwarf cushion-type Chrysanthamum that bloom from August to Frost. Beautiful snowy. We ship potted plants that will bloom profusely in four months after planting. Plants grow about 18 inches tall and that large across, forming a dense cushion with flowers on all sides and over the top. They like clay soil and bone meal. No other plant will give the hundreds of beautiful blooms that these plants give and the rich colors make a glorious autumn show. We offer pink, yellow, white, bronze and red.

We offer pink, yellow, white, bronze and red.
Your choice of colors.

.30 each, 3 for .80, 6 for \$1.50 or 12 for \$2.50 postpaid

BEGONIA (Hardy)

Evansiana. A perfectly hardy Begonia which will live outdoors during the winter if protected with just a few leaves. Large showy pink flowers borne with the greatest profusion during September and October. Exceptionally nice plant for all-summer bloom in shady locations. 2 to 2 1/2 feet. Growing plants from small pots.

Each 25c, 3 for 65c, 6 for \$1.25

FUSCHIA

Magellanica. This most interesting shrub came from the New York Botanical Garden, where it has proven entirely hardy. It is in bloom all summer long until stopped by frost. The ruby-red pendent flowers are produced by the hundreds, flowering just as freely in full sun as in light shade. A most interesting plant for the flower border or rock garden, where it fits in perfectly, blooming all summer. They are especially adapted for shady locations.

Each 50c, 3 for \$1.30, 6 for \$2.40, 12 for \$4.00

DOUBLE RUSSIAN VIOLET

This rare violet has practically been out of commerce for the past ten years. It is very much sought for by those who know it and want it for the exquisite fragrance of its double flowers. It is slow of growth, does not spread much, and it has taken us a goodly number of years to produce a quantity of this fine violet. Nothing sweeter could be grown in your garden. Excellent for that difficult shady place.

30c each, 3 for 80c, 6 for \$1.50, 12 for \$2.50

BUTTERFLY BUSH OR SUMMER LILACS

These hardy plants offer finer cut flowers than probably any other and their long season of bloom from July until Frost make them very desirable. The tops frequently die back to the ground in winter, but the following spring they start up and soon are blooming again. We offer many entirely new colors. We ship potted plants that are sure to grow and bloom the first year.

Charming—New Pink. Beautiful bushy plant growing five feet tall. Very striking in the landscape and flowers from early July until frost. The individual flowers are quite large and the spikes open up full length. Beautiful pink and a lovely cut flower. Especially fine when used with delphinium.

Dubonnett—Beautiful WINE RED and named after the popular French Wine of that name Dubonnett. In sunshine and under lamp the color is dark red. The spikes are solid and well filled. Fine for cutting, very hardy and should be in every garden.

Hartwegii—Large bright lavender panicles on beautiful formed spikes. A lovely shade and combines with the other varieties to offer this pleasing contrasting shade. Hardy and free flowering.

Ille de France—Deep rich purple. This variety blooms with the other colors and gives a long season of bloom. Rich foliage and pleasing fragrance.

Magnifica—A very strong growing variety with large flower of a pleasing lilac shade. Its free flowering habit and pleasing color makes it worth while and desirable.

Fine potted plants of any of the above varieties, your choice .35 each, 3 for .90, 6 for \$1.70, or 12 for \$3.20 prepaid

GIANT STOKESIA BLUE MOON

Stokesia Blue Moon is a vigorous growing, large and free flowering variety of exceptional merit and distinction. It is perfectly hardy and has no insects bothering it. Flowers throughout the summer and autumn until stopped by hard frosts. It is not at all unusual to see flowers five to six inches in diameter. The stems are twelve to eighteen inches long, bringing the large, vividly blue disc-like flowers well up and above the plant. A most worthwhile addition to really hardy plants for the garden.

50c each, 3 for \$1.35, 6 for \$2.50. Per dozen, \$4.25
